CURRICULUM

An author with an unusually extensive experience of world affairs

The author's experience at age 83 is quite unique in quantity and quality for best comprehension of the complex world of today. He graduated at the **University of Ottawa** as a Juris Doctor lawyer with an additional certification in political sciences. He worked for 25 years around the world as a fulltime **Canadian career diplomat**. He then moved into a thoughtful early retirement to be hired

by the **American Embassy** in Rome where he worked for 13 more years. This is where he also acquired his additional skills as a **Webmaster** while being **Database Administrator**. With these additional skills he now creates and writes for his own websites entirely by himself. He studied seriously **ten languages** and still speaks five very fluently. He got to know over **100 countries** on all continents except Oceania. He lived in countries of the extreme **Right**, like the **Chile of Pinochet**, of the extreme **Left**, like the **Soviet Union of Brezhnev**, and of the extreme **"Wild"**, like the **Uganda of Idi Amin**. He is a **pianist** with a passion for **philosophy** since he was an adolescent, and for **Opera** since he became an adult living in Italy. He has a **Greek** wife who graduated as a psychologist, is a world expert artist painter on fine porcelain, and is most cultivated in Greek philosophy and the history of classical fine arts. They have three university graduate children living in **England** (a daughter doctor specialized in Infectious Diseases), in **Canada** (a son mathematician), and in **Italy** (another daughter doctor dentist). From the people who know him well, Jacques is simply **"ZAK"**. The above unique profile is the one at the source of this book on what he calls **FtakAristarchy**

(Full Truth And Knowledge Aristarchy). **FtakAristarchy** intends to free us from our national and global enslavement in our current fake democracy through [30 cumulative reforms](#) with two pillars. On the public side, their pillar is absolute full truth about all public affairs and officials, along with absolute full public revelation of all knowledge useful to humanity from any source. On the private side, their pillar is a return to holistic private education of best Hellenistic roots for the 3 levels of the [Tetractys](#) of the human soul. Our resulting liberation is meant to be achieved at 4 levels :

<u>FtakAristarchy</u> (Full <u>T</u>ruth <u>A</u>nd <u>K</u>nowledge <u>A</u>ristarchy)	
	<p>FREEDOM IN 4 CUMULATIVE WAYS</p> <p><u>FtakAristarchy</u> means full liberation at 4 holistic levels:</p> <ol style="list-style-type: none">1. As <u>global slaves</u> freed by FTAKA Education2. As <u>political citizens</u> freed by FTAKA Governance3. As <u>civic communicators</u> freed by FTAKA Speak4. As <u>sexual animals</u> freed by FTAKA Sexuality <p>Through a Tetractys of <u>ELL</u> (<u>E</u>nlightened <u>L</u>ogos <u>L</u>iberty)</p>

Break or reject commands from all unelected unaccountable transnational entities of fake power. Always request only full truth and full knowledge from only rightly [BAVAD](#) elected and fully accountable national leaders.

Executive Summary

This book title is [FtakAristarchy](#) ([Full Truth And Knowledge Aristarchy](#)). This is a brand new acronym coined to describe the best possible form of direct and participative democracy, as a form of governance that is as close as possible to the original concept of best democracy that was invented by **Ancient-Greece**. As such,

[FtakAristarchy](#) is as different as it can be from the fake democracy that we supposedly have today in the most democratic world. The prefix "**Ftak**" of the new acronym means fully what it says: **F**ull **T**ruth **A**nd **K**nowledge. The "**K**" also stands for **K**allos. The "**T**" also stands for **T**ransparency. The suffix "**Aristarchy**" means governance by the "**Aristos**", by **The Best Ones** in terms of capacity and enlightenment (based on Truth, Knowledge, Virtue and Beauty in their conduct and lifestyle) because of their extraction from education similar to the one also invented by **Ancient-Greece**, as holistic education forming the 3 levels of the [Tetractys](#) of the human soul.

The book is in two parts. The substantial [PART 1](#) is all negative, but the even more substantial [PART 2](#) is all positive. The first negative part describes our current situation of enslavement through various means based on traditional [DDDD](#) ([D](#)ebt, [D](#)ogma, [D](#)isinformation and [D](#)espair) and new more modern means like what is being called with these other new acronyms: [Banktatorship](#), [Healthtatorship](#) and [Newstatorship](#). The second positive part is based on a set of 30 cumulative reforms at 3 levels that can be seen on this [Nutshell](#) as the A), B) and C) levels, with each level including 10 [FtakAristarchy](#) reforms. Total: [30 cumulative reforms](#) (s. page 18).

Most authors approaching this subject of global enslavement will only write about the negative part, criticizing what is taking place, and who is responsible for it. Of course, this negative part is important as without people knowing first what is really going on, they cannot decide properly what actions to take to correct the situation. In addition, this criticism is a **Full Truth** that has to be expressed in the most open and explicit way, as embarrassing as it may be, which most authors avoid to do in order not to damage their own life and career, or suffer *character assassination* from the powerful elites being criticized. This author is as open and explicit as any writer can ever be and, with his **Full Truth**, he hopes to reach even the persons who are usually too indoctrinated to be able to recognize truth. This book is particularly notable by the fact that the author spends fewer efforts to criticize, and more effort to suggest concrete solutions in the positive [PART 2](#) that is nearly always absent in other books on the same subject.

[Constructive Revolutions](#)

To request politicians and all public officials to stop lying and provide only **Full Truth** about all public affairs is a clear revolution in the current context of our fake democracies. But if such lies become serious crimes punished most severely, this reform becomes possible and immensely useful for all citizens to best decide what to vote before an election and to do during a mandate.

To request public officials to reveal **Full Knowledge** of earthly or alien source that is kept secret at the moment can be greatly useful for improving our wellbeing or save us from undue damage from evil plans of big corporation and military bases. If hiding such useful information becomes a serious crime punished most severely, this reform can also be immensely useful to all citizens.

The above are only the first two reforms of major change in [FtakAristarchy](#) (s. page 18). If our treasury creates only metal-backed-debt-free money, eliminating all usury, fractional reserve and borrowed public debt of *fiat debt-money created out of nothing by private banksters*, most of our **economic problems** will be inexistent or disappear quickly. And only property and sales tax will be required to finance governance, with no/no income tax that was invented only to reimburse the now inexistent *public-debt-money*.

If we eliminate our costly outdated parliament of babbling corrupted representatives who are no more necessary since the cumulative inventions of the telephone, the television, the airplane and the Internet, and we govern with a lean staff of as few as only 3 elected governors under a fully binding contract, most of our unnecessary ridiculous **political problems** will cease to exist.

If we use common sense to finally start remunerating all women citizen mothers who decide to work at home to raise children and maintain a good two-parent home, reinforcing all our best traditional values regarding family, society, nation and culture, most of our **social problems** of micro-criminality will disappear. This is true in particular if we also reform our schooling system to eliminate current enslavement indoctrination, making it to return to provide only real holistic education of the 3 levels of the [Tetractys](#) of the human soul, along with more useful social market instruction, like in our best previous periods of civilization based on Greek [Philotimo](#).

If we stop the undue interference of all warmonger gods in public affairs (like the [Yahweh](#) of the Bible of Judaism and the [Allah](#) of the Koran of Islam requesting constantly all sorts of wars and massacres in their respective holy books), and we admit the public influence of only gods preaching compassion and forgiveness (like the Hellenistic [real Jesus](#) of [JesusELLism](#), not its fake deviated Jewish figure of the institutional Judeo-Christian Church who used him for Inquisition and wars of religion), most of our future **war problems** will probably not even ever be born.

The above are only some few reforms, but the whole set of 30 reforms of [PART 2](#) of the [Nutshell](#) (s. page 18) are also extremely useful, each of them in various other cumulative ways. Why should we be so stupid as to not implementing them all? The propaganda of the cabal enslaving the rest of us has engineered us to believe that such reforms are idealistic utopia, but the cabal members are only few, and we are many. The enlightened "*Many*" acting all together can easily overrule the evil "*Few*". Certainly, if an enlightened politician wins an election at great majority with the 30 reforms of [FtakAristarchy](#) as a **fully binding contract**, nothing can prevent their full implementation, let alone their implementation in the most possible democratic way.

With [FtakAristarchy](#) we go "***From Slavery Downwards to Slavery Upwards***". The slaves are no more an ignorant mass of people, like it is the case today, because they are well enlightened by **Full Truth, Full Knowledge, Full Transparency, Full Freedom of Speech** and full [Philotimo](#) holistic education. The new slave-like persons are the elected or permanent public servants who choose freely to act as good public officials, as an ideal that, in any case, also involves for them some good remuneration and great justified prestige in front of the community they well serve.

With [FtakAristarchy](#), we also achieve automatically, and in the most peaceful democratic way, the dismantling of the [longest conspiracy of global world enslavement](#) through a long pursued dictatorial **One-World-Government**. This conspiracy against mainly Hellenism has existed for hundreds years, but could never yet be accomplished because of the lack of proper means. These means do exist today, so the Cabal using them is very close to succeed. [FtakAristarchy](#) prevents this evil success of the Cabal that we call [FAGSPEC](#) (Fake [Abrahamic](#) [Globalist](#) [Satanic](#) [Political](#) [Enslavement](#) [Cabal](#)) to achieve the type of global enslavement of the rest of us in a regime that we call the [TsegTechnocracy](#) (Totalitarian [Satanic](#) [Enslavement](#) [Global](#) [Technocracy](#)).

Enlightening a Global Enslavement Conspiracy Reality

Who on Earth gave top level of power to hidden evil elites capable of transforming all our elected national leaders as their puppets, and use these puppets to enslave the rest of us? Who on Earth gave an immense abusive power to so many totally unaccountable unelected persons and organizations to enslave all of us, and enslave also all our national governments worldwide, doing so through obnoxious national or supranational commands, with ensuing extreme multi-level legislation, unlimited debt-money created out-of-nothing (but to be all reimbursed as real money from taxpayers), and all sorts of diktats for which we never had a chance to vote? And why are we so stupid as to accept all this incredible abuse of power with no opposition, let alone with total passive submission, like it is obviously the case today? Who gave such abusive power to the unelected and totally unaccountable UN and the WHO? Similarly to the EU Commission? To the WEF? To the IMF? To the WB? To the BIS? Who gave similar immense abusive power to even many operators acting on their own, as private individuals, like a Soros and a Gates? Who gave banks the power to “*debank*” you and ruin your life if you hold opinions that their higher WOKE managers do not like, as they did to British Brexit EU politician Nigel Farage?

These visible actors are also behaving together worldwide in such a coordinated way that they can only be the puppets themselves of even a higher invisible master-level hiding and commanding them in the background, at an unlikely simple human level. Who is their “Master” at that top level? Whoever it is, the cumulative evil power of global enslavement produced by all the above visible actors acting all together as a worldwide coordinated cabal is so immense that, in all logic, it cannot come from a source at the common human level, certainly not as a power above them that could have been granted to them by any of the rest of us hiding at the human level. In addition, most of the top level visible actors of the unelected and unaccountable organizations of this global cabal, in consideration of the obvious evil objectives they pursue, and the flagrant misery they cause to the rest of us, can only be perverted human souls possessed by an evil force that can only come from beyond the human level. Who is their evil grand master?

For lack of a better name, the evil top source of this power beyond the human level can only be best called Satan, not of course the ridiculous religious Satan with a fork and a hell of fire, but the commanding cosmic Satan who is the powerful cosmic FOB (Force Of Bad) fighting continuously the fundamental creative cosmic FOG (Force Of Good) that we call SLAC. The FOB that we call Satan, certainly manipulates his possessed souls with his own immense destructive power for his own evil purposes. As such, his visible puppet actors under satanic possession become the operators of a real conspiracy of global enslavement for the rest of us. This is the reason of the current global decadence transforming our world in a *Slavelandia*.

To an attentive observer, as we will see further down in part A) of this synthesis, the conspiracy of this global cabal involves a disproportionate majoritarian number of Zionist Jews, but it is nevertheless quite clearly not the so-called “**Jewish Plot**” even if our enslavement, in many ways, looks caused by a **ZioCracy** (“*Rule By Zionists*”). It is rather clearly a “**Satanic Plot**” using mainly Zionist activists. The Holy Scriptures call these evil activists (with Zionists in main roles today) as “**Those who may say they are Jews, but are not Jews, as they are the Synagogue of Satan**”. They are not orthodox Jews, but mainly Khazarian fake Abrahamic Zionist Jews, those of the six categories that we call Fake-Jews, with their most ancient roots in Satanic Babylonian Loxism.

In short, the cosmic Satan is powerful, and he is in charge of our national and global enslavement through possessed human souls that he leads to be powerful for his evil purposes. This is why most main global events of **TV World Vision** or from **Hollywood Entertainment** today are so full of satanic symbols. And these satanic symbols have become so common that, at the moment, they are mostly unnoticed, or not understood as such by most people, not in particular by the

younger generations of today that grew up with these symbols, even if the symbols are clear indications of global satanic enslavement for the attentive observers of the older generations. Fortunately, if the rest of us become fully aware of this satanic conspiracy, and if we act together through the cumulative reforms of [FtakAristarchy](#), we can dismantle easily our enslaving global cabal that we will call [FAGSPEC](#) ([Fake Abrahamic Globalist Satanic Political Enslavement Cabal](#)). This is the purpose of the necessary [30 cumulative holistic reforms](#) of this book (s. [page 18](#)) to be applied to our current form of fake democracy in order to make it a liberating [FtakAristarchy](#).

[A More Explicit Look at the Global Enslavement Conspiracy Reality](#)

In short, an omnipotent cabal is working hard at a global world level to enslave the rest of us in a new totalitarian **One-World-Government** as soon as possible. We call the cabal [FAGSPEC](#) ([Fake Abrahamic Globalist Satanic Political Enslavement Cabal](#)), and call the pursued new totalitarian global regime the [TsegTechnocracy](#) ([Totalitarian Satanic Enslavement Global Technocracy](#)).

[Six Global Enslavement Steps](#)

The above satanic cabal working for the global enslavement of the rest of us wants to form a new worldwide totalitarian **One-World-Government** through 6 cumulative diabolic steps:

1. **NATIONAL GOVERNMENTS OF NORMAL COUNTRIES**: such governments have to become obedient puppets to be gradually phased-out in a global **One-World-Migrant-Melting-Pot**.
2. **GOVERNMENTS OF CURRENT SUPERPOWERS**: such competitive governments have to be made to collapse or be destroyed, to be replaced by a **One-World-Dictatorial-Government**.
3. **RELIGIONS INFLUENCE**: all main religions must be disempowered to leave only Judaism, or rather a [Panthriskia](#) of [Fake-Jew](#) acolytes spreading a new **One-World-Luciferian-Religion**.
4. **EFFEMINATE MEN, BAD TETOSTERONE MIGRANT INVASION , AND DIGITALIZATION**: men become incapable to fight their replacement in slavery and a **One-World-Digital-Currency**.
5. **DEBT AGGRAVATION**: the aggravation of global debt is good to keep countries and people fully enslaved through only the *Debt-Money* of a **One-World-Central-Banktatorship**.
6. **A NEW WORLD CAPITAL CITY**: a new geopolitical base is prepared in a city that is not one of the capitals of current superpowers, hopefully in Jerusalem as a **One-World-Global-Capital**.

The first step regarding our national governments is already in great part accomplished. Most national leaders are not elected, but “*pre-selected*” through various types of corruption and manipulation affecting the preparation of a national election. In most countries, the Cabal already makes us vote for only candidates who will become its best obedient puppets. The non-puppet exceptions that may slip through and gain power will usually only temporarily delay the global plan (like a **Berlusconi** in **Italy** or an **Orban** in **Hungary**), but they are fast eliminated through created fake scandals or constructed *character assassination*. The good national puppets being elected will obey the diktats of supranational unaccountable and unelected entities, like the [EU](#), the [WEF](#), the [UN](#) or the [IMF](#), or even those of rich evil private individuals like a **Gates** or a **Soros**, along with those of the biggest transnational [BigBusiness](#) corporations overruling them. All puppets will also facilitate massive migration [MUMI](#) movements to dilute strong national values and, as per the [Kalergi Plan](#), create obedient slaves in a **One-World-Migrant-Melting-Pot**.

The second step regarding superpowers is also already in great part accomplished. All the old entities of superpower have to be disintegrated or eliminated. The main one, the [USA](#), is already falling apart. Its dollar will soon collapse as the world reserve currency. [USA](#) is commanded fully already by the [FAGSPEC](#) Cabal, and has become only a powerful colony of the [Fake-Jew](#) Zionist [Assblsrael](#) that is its master on the political side, and by **China** that is its master on the economic side. When the [USA](#) will fall, its minion superpower called the [EU](#) will also fall. It is already facing a death sentence for its self-destructive obedience to the [USA](#) sanctions against **Russia**, but also

for collaborating to all the fake-war initiatives of the [USA](#) regarding **Ukraine**, **Gaza** and other places. After the fall of the [USA](#) and the [EU](#), the paper-dragon of **China** will also fall because it is powerful mainly in terms of commercial products that will have lost the fallen markets of their main buyers. The fake war in **Ukraine** was to provoke Superpower **Russia** for a reaction that could bring its fall, provoked by [NATO](#) expansion, the [USA](#) coup in 2014, and the persecution of Russians in **Donbass**. The secondary objective of the fake war in **GAZA** is also to provoke powerful **Iran** to bring its fall. The election of **Jesuit Pope Francis** is meant to destroy the powerful influence of the **Vatican**. Strong [EU](#) countries like **France**, **Germany** and the [UK](#) are conspired to fall along with other [EU](#) kingdoms via planned invasion of Islamic useful idiots. [NATO](#) is only a temporary tough face before the inevitable above falls, and before its own fall. The misery from the above falls will make people beg for a **One-World-Dictatorial-Government**.

The third step regarding religious influence is also in great part accomplished. Since the [Vatican Coup of the Council of Vatican II in 1962](#), the **Vatican** has been fully under the discrete command of Judaism. With the election of **Pope Francis** in 2013, the first pope from the **Jesuits** founded by a Jew, the **Vatican** has been deceitfully entirely controlled by the luciferian [Fake-Jew](#) Zionists of the [FAGSPEC](#) cabal, and is now more concerned with following the [WOKE](#) political agenda of the [FAGSPEC UN](#) than the traditional spiritual agenda of the overall **Christian Church**. Regarding **ISLAM**, its **SUNNI** side was clearly founded by [Fake-Jews](#). Many of their descendants are today collaborating deceitfully with Zionist **Israel** and the [BRICS](#) for a new global power of world domination. Its **SHIITE** branch in **Iran** is in great danger of being disempowered soon, by **Israel** and its powerful [USA](#) colony, even at the risk of nuclear WWII. This infiltration of major religious institutions is facilitating the advent of the [Panthriskia](#) of a new **One-World-Luciferian-Religion**.

The fourth step brought, by plan, effeminate western men to produce ½ the sperm of previous generations, and ¼ of the male migrant invaders creating chaos for an easy *Great Replacement*. [Internet Of All Things](#) & [CBDC](#) will ensure full control by an easier **One-World-Digital-Currency**.

The fifth step of world debt aggravation is also very much advanced. A debtor is a slave of the lender. Constant wars only create profits to lenders: before war (financing buying arms), during war (financing operations of both sides) and after war (financing reconstruction). War deaths only mean easier global control of less people through a **One-World-Central-Banktatorship**.

The sixth step regarding the establishment of a new world capital (for the fast coming global [TsegTechnocracy](#) of the [FAGSPEC](#) Cabal) is deceitfully being prepared by the growing balkanization of the **Middle-East** through various wars during which [AssbIsrael](#) is gradually constructing the [Greater-Israel](#). The [FAGSPEC](#) Cabal wants to establish its new world Capital in [JerUSAlem](#). It cannot be in **Washington**, **London**, **Brussels**, **Rome**, **Moscow** or **Beijing** because it has to be under the full control of mainly the new [FAGSPEC](#) Cabal of the [Fake-Jews](#) intending to run the world from the Abrahamic city with best Babylonian and [Loxism](#) roots. The Cabal already acquired new pieces of land from **Syria** and **Jordan**. Other pieces from **Egypt**, **Iraq**, and **Lebanon** are on the verge of being acquired soon at the next good occasion to be triggered by respective new war false flags. The full evacuation of **GAZA** in 2024, triggered by the false flag of October 7, 2023, is only a new initiative to increase [Greater-Israel](#) and build the new **Ben-Gurion Canal** to replace **Suez** with a better canal all in **Israel**, from **Eilat** on the **Aqaba Gulf**, up the **Jordan River** to the **Mediterranean Sea** via **Gaza City**. If **Israel** exaggerates but is not destroyed, the **Two-States** solution will disappear and reinforce **Jerusalem** as the new **One-World-Global-Capital** candidate.

With the above 6 steps, the [FAGSPEC](#) Cabal enslaving the rest of us will be fully in charge of the fast coming global [TsegTechnocracy](#) of their desired new **One-World-Dictatorial-Government**. It is late already, but if we wake up in majority with [FtakAristarchy](#) before it is too late, this is the solution to save ourselves from our complete global satanic world enslavement.

The Solution to Avoid our Global Enslavement is FtakAristarchy

[FtakAristarchy](#) is certainly an improvement to democracy, but what democracy? We certainly do not have democracy today in supposedly the best democratic world. We have at least forms of [Oligarchy](#) (“rule by the rich few”), [Kleptocracy](#) (“rule by thieves”) and [Debtocracy](#) (“Rule by the creators of debt-money”). We are very close to having only a very rudimentary [Dupe Democracy](#) that, as “rule by duped people”, meaning by ignorant people, is too often only “mass-rule” or “mob-rule”. This is clearly fake democracy that is a kind of [Kakistocracy](#) (“rule by the bad ones”) or [Cryptocracy](#) (“Rule by hidden leaders of a deep state behind our official puppet face leader”).

[FtakAristarchy](#) corrects all the above forms of fake democracy by its [30 cumulative reforms](#), as a new form of [DemoTechnocracy](#) or [AristoTechnocracy](#) that maintains citizens in best possible enlightenment, capable to form their best opinion about governance in an election through the best fraud-less bio-anonymous [BAVAD](#) voting system for executing a fully binding contract.

[Reform 1](#) imposes absolute full truth about all public affairs and all public officials, with a serious crime lying about them. [Reform 2](#) imposes the full revelation to all citizens of all the useful information and knowledge known in this world, from all earthly and alien sources, also with a serious crime hiding it. [Reform 3](#) imposes all lobbying to be done fully and only openly on a dedicated lobbying TV channel, again with a serious crime doing otherwise. [Reform 5](#) imposes the same kind of full transparency about all public money to be seen by all citizens as if it were their own bank account. [Reform 6](#) imposes full respect of absolute freedom of opinion, even for hate speech. [Reform 4](#) prevents all politics to be influenced by [BigMoney](#) finances or by any networks of media that prevents separate independent media to compete for providing full truth and full knowledge ([Reform 7](#)). Citizens must vote to maintain citizenship, but they all vote in the most possible perfect bio-anonymous voting system ([Reform 9](#)) and for a fully binding electoral contract to be completed undisturbed by only 3 elected executive officials without barriers from any court, or by any (inexistent) babbling parliament ([Reform 10](#)). All along, [Reform 8](#) imposes a *Natural Earth-Life* approach to all sciences with Medicine as *Health Care* instead of *Disease Care*.

Armed with all the above new rules, tools and knowledge, the improvement brought to democracy by [FtakAristarchy](#) cannot be called “*Mob-Rule*”, as “rule by the ignorant people”, because citizens are no more ignorant or impotent. It cannot either be called “*authoritarian*” in the traditional sense, because it is not an **Oligarchy**, as “rule by the rich few”, even if few (only 3 governors) do rule. The country is in fact finally ruled by the sovereign will of “*We The People*” who all voted obligatorily, in full majority, in an enlightened way, and for only a small executive charged to complete the fully binding chosen electoral contract without any barrier from an inexistent parliament or from any existing court of law. It cannot even be called anymore a **ZioCracy** (“Rule by Zionists”) or a **SatanOcracy** (“Rule by Satan”) because these evil figures have lost their older power under the growing [JesusELLism](#) new influence ([Reform 26](#)).

Overall, this Synthesis has to do with two major improvements to our fake democracy:

1. A new structure of government called [TetractArium](#) replacing in a lean way an outdated traditional babbling parliament (see the [TetractArium](#) graphic shown on page 17).
2. A list of 3 levels of 30 reforms (see page 18) to our fake democracy to achieve [FtakAristarchy](#) and ensure our full liberation from national and global enslavement from a growing [TsegTechnocracy](#) (Totalitarian Satanic Enslavement Global Technocracy) being implemented today worldwide by the [FAGSPEC](#) (Fake Abrahamic Globalist Satanic Political Enslavement Cabal) conspiracy. These reforms are listed in a [One-Page-Nutshell](#) summary shown on a following page 18. The **Part 1**) of that list identifies who are our enslavers. Sections **A)**, **B)** and **C)** of **Part 2**) elaborate 3 levels of 30 cumulative reforms to achieve full [FtakAristarchy](#).

The Triangle of the FAGSPEK Cabal

Its leaders are the highest levels of Fake Jews, Fake Christians and Fake Muslims. These high levels are fake because they are all deviated into Satanism, and serve cosmic Satan's plan to dominate via a **One-World-Government**, with the rest of us as obedient slaves, and freemasons as its hidden puppets.

FAGSPEK: Fake Abrahamic Globalist Satanic Political Enslavement Cabal

The above center is the best representation of the source of our global enslavement. This **Abrahamic Family House** should be renamed as the **FAGSPEK Family House** of totalitarian global enslavement managed for the most part by deviated satanic branches of the three **Abrahamic Religions**. This common Abrahamic religious center of mainly "Fake-Jews" originated after the signing of the **Document On Human Fraternity** by Judeo-Jesuit **Pope Francis**, in front of other top iman and rabbi authorities, in 2019, in order to assist his push for **Panthriskia** as a fake Christian Judeo-Jesuit pope of supposedly an

Abrahamic Religion (while the real Jesus was a Hellen with nothing to do with the Bible). It was fully inaugurated recently in 2023. This is the "House" of the evil **Fake-Jew** power hidden in plain sight of who shall fully command the rest of us as global slaves during the coming period of "**Great Tribulation**" to be triggered by the "**Great Reset**" of their main civilian puppets, the **UN**, the **EU** and the **WEF** acting together for that purpose.

ZakArium at the Source of our Full Liberation from Global Enslavement

If the previous **Abrahamic Family House** is the deceitful center of power at the source of our global enslavement, the **ZakArium** (shown below) of **FtakAristarchy** is the center of power at the source of the opposite forces working for our complete liberation from global enslavement. Its entrance is at the ground level on top of a small hill. The lower 3 business levels under it are built opening downhill at the back, in front of its productive farm, including underground level access.

The above is only the top floor, or the noble floor, of the **ZakArium**, where the leaders of **FtakAristarchy** work for our full liberation from global enslavement through a set of 30 cumulative reforms of our current fake democracy (listed in a **Nutshell** on page 18).

The whole building has 4 floors of working and living spaces with some 100 beds (in single and double rooms, in 5 suites and in 3 dormitories), along with a wide variety of all sorts of other spaces for purposes of meetings, restaurants and various types of work or entertainment. It also has an underground floor with parking and storage rooms. The main entrance is at the top of a hill facing its garden of medicinal plants. The other side faces its own wide productive farm.

- The perimeter of the construction: 63m x 54m = 3402 m2 (x 5 levels = 17010 m2)
- The perimeter with terraces: 90m x 72m = 6480 m2 (x 5 levels = 32400 m2)
- The whole land with its garden and productive farm hosts horses and many other animals, plus pathways for sports and walks of appreciation of plants and animals.

Unfortunately the **ZakArium** has still not been built because of the serious economic crisis in Greece that, for now, would prevent its self-financing through a center of recreational activities. The **ZakArium** is located in Tuscany, Italy. It will be complemented in Greece by the **PsychArium** of Marina Zea in Piraeus, and the recreational **AnaplasArium** of self-financing in Vouliagmeni.

The 30 cumulative reforms of [FtakAristarchy](#) listed in the following [Nutshell](#) of page 18 are mostly seen as an improvement to democracy. This is correct, but not at all the whole truth. Many of these reforms also improve not only the wellbeing of the citizens, but even their fundamental qualities as human beings.

As such, [FtakAristarchy](#) improves holistically its democracy, its political life, its social life and even its spiritual life. It improves the best holistic [Kallos](#) beauty of body and soul leading to best possible national living and governance.

Planet Earth Natural Kingdoms		
<p>Antinous beauty symbol</p>  <p>Human Kingdom</p>	 <p>Horse, our symbol of the animal Ground Kingdom</p>	 <p>Swan, our symbol of the animal Sky Kingdom</p>
 <p>Sapphire, our symbol of the Earth Mineral Kingdom</p>	 <p>Lavender, our symbol of the plant Vegetal Kingdom</p>	 <p>Dolphin, our symbol of the animal Ocean Kingdom</p>

The above symbols are important, surrounding and present in all aspects of the daily activities of [FtakAristarchy](#) that, again, improves not only most direct and participative democracy, but all political life, all social life, all economic life, all religious life, and even all spiritual life. Its cumulative reforms may seem idealistic utopia but, if a political party wins an election at full majority with these reforms as a fully binding electoral contract, nothing can prevent their full implementation. These reforms will soon by themselves disempower the globalist [FAGSPEC](#) (Fake Abrahamic Globalist Satanic Political Enslavement Cabal) elites attempting to enslave the rest of us in a [TsegTechnocracy](#) (Totalitarian Satanic Enslavement Global Technocracy). Let's start with replacing the plushy deceitful club of dictators called the [UN](#), or rather the current [UNN](#) (United No Nations), with a [FTAKUN](#) (Full Truth And Knowledge United Nations), if not formally and fully so at the beginning, at least in terms of our growing approach to it, and the financing of it. In the meantime, let's go on, as an accompanying powerful tool, with good civil disobedience, by rejecting all commands from all supranational [GURUC](#) (Global Unelected Red-technocratic Unaccountable Cabal) non-[FTAK](#) compliant entities like the [WEF](#), the [WHO](#) or the [IMF](#), even the [EU](#), or rather what has become a deceitful [ESU](#) (European Soviet Union) spending useless billions in all kinds of gross and corruptive privileges to members of its huge useless bureaucracy and fake parliament without any type of real accountability, not even to its member nation leaders.

TetractArium of Governance in FtakAristarchy

LEGEND

The above **TetractArium** of governance replaces a Parliament, as there is no house of elected representatives in **FtakAristarchy**. A traditional parliament is eliminated as it is an outdated body that was necessary only before the cumulative modern inventions of the telephone, the airplane, the Internet and the current technology of perfect instant communications worldwide.

Only the central **“GFS”** vertical line is elected. This means only 3 governors are elected on the basis of a fully binding contract for 3 years. That contract has up to maximum 10 items to be executed, but it also includes an annex with a clear outline of any new laws to be implemented, along with their exact source of financing. During an electoral mandate, only the fully binding contract (obligatorily voted at full majority by all citizens) can be implemented, and it is even a transitory priority addendum to the constitution. There can be no surprise during a mandate in terms of new legislation or new taxation. But unpredicted emergency events can all be well taken care of through the system **OBECOF** (Out Binding Electoral Contract Operational Fund).

In our current fake democracy, we live in an unnoticed FAGSPEC matrix of full enslavement. With FtakAristarchy we regain our full freedom through full truth about all public affairs, full knowledge of any earthly or alien source about all existing reality, and full liberty of opinion. We also reject all diktats from any unelected and unaccountable BigOrg, and we do not interfere in any foreign affairs. A fully binding electoral contract is transitorily a priority constitution addendum: all citizens voted it in majority without fraud; no court can stop its application; no parliament is needed to discuss it; no surprise of new legislation or new tax can happen during a mandate. Death penalty for causing massive deaths or damages means few will do it through useless wars or evil tools like fake COVID bioweapon vaccines. With FtakAristarchy we go “*From Slavery Downwards to Slavery Upwards*”. This may seem idealistic utopia but, if a political party wins an election at full majority with the above reforms as a fully binding contract, nothing can prevent their full implementation.
